

Hello Local Business Owner;

We are the Grimsby Skating Club, working 300+ local families per season in our CanSkate & StarSkate Learn-to-Skate Programs in Grimsby for over 50 years. We are looking to work together with our local business community for sponsorship dollars to cover a portion of our ice costs in order to keep our skating fees accessible for young families in our community.

In return, we have advertising access to all of our local skating families throughout our entire season to promote your business, and offer the following options:

Bronze Sponsorship Level : \$500

- Sponsorship of our CanSkater or StarSkater of the Month - This will be advertised on our Social Media (FB and Instagram) Feeds, our Canskate Welcome Table and our Peach King Centre bulletin boards for one month
- Your sponsorship will also be acknowledged on the certificate given to the chosen skater

Silver Sponsorship Level : \$1000

- Advertising logo for a full year on the home page of our website (logo banner across the bottom) and on our Social Media Feeds
- Sponsorship Thank you and Logo on every Monthly Newsletter throughout the season **(most families print this and place it on their fridge each month to remind them of skating schedules, special events and scheduled ice cancellations)**
- Advertising for your business (whatever information you would like to share, size 5"x7") on our two Peach King Community Centre Bulletin Boards acknowledging you as a sponsor
- Your Logo on one changeroom door "Flag" used for the season during our sessions

Gold Sponsorship Level : \$ 2500 +

- This includes all items listed in the Silver Sponsorship Level plus banner advertising at the Peach King Arena along with large Logo "Flags" on every change room door used during our sessions to indicate your Amazing Level of Support
- Your company will also be acknowledged in all of our annual Year End Skating Show/Competition flyers, emails and/or programs

Please contact us with any questions you have, we truly look forward to hearing from you!
